

10 REASONS THE TOP TO ENGAGE WITH UNIVERSITY OF CALIFORNIA UC RIVERSIDE

ONE OF THE NATION'S TOP PUBLIC UNIVERSITIES

Each year, UCR ranks highly among the nation's top public universities. (US News & World Report, 2017)

LEARNING FROM THE BEST

Our professors rank 29th in the nation in terms of faculty receiving prestigious awards. (Washington Monthly, 2016)

HIGHLY DIVERSE

Our students live and learn on the fourth-most diverse campus in the nation. UC Riverside students are fully prepared for working in a global marketplace. (Forbes, 2016)

TOP HISPANIC-SERVING INSTITUTION

UC Riverside is a Hispanic-Serving Institution and ranked the third best college in the nation for Hispanic students. (BestColleges.com, 2016)

OUR STUDENTS GIVE BACK

UC Riverside students understand the impact of giving back to their community. That's why they rank third in the nation for community service participation. (Washington Monthly, 2016)

BIG BUSINESS

UC Riverside's School of Business features the largest undergraduate business program in the University of California system.

ELITE ENGINEERS

The Bourns College of Engineering educates the next generation of groundbreaking leaders whose discoveries improve the quality of our life. In less than 25 years, Bourns has distinguished itself as 71st in the nation for its graduate programs. (US News & World Report, 2016)

CULTURE & CONTRIBUTIONS

Our high-achieving students in the College of Humanities, Arts, and Social Sciences examine a broad spectrum of the world's realities. They specialize in everything from creating award-winning writing and art, to researching the psychology of happiness and ways to end global poverty.

WORLD-CLASS SCIENTIFIC IMPACT

The College of Natural and Agricultural Sciences is one of the reasons why UC Riverside ranks 13th in the world for plant and animal science and 44th in the world for scientific impact. (US News & World Report, 2016; Leiden Ranking, 2015)

ENVIRONMENTALLY PROGRESSIVE

The Princeton Review's Guide to 353 Green Colleges (2015) included UCR because of our strong commitment to sustainability in academics, campus infrastructure, activities and career preparation. We also have the largest solar farm in the University of California system.

BONUS! ALWAYS MOVING FORWARD

In the past three years, UC Riverside has opened the doors to a new School of Medicine (the first in California in over 40 years) and a new School of Public Policy.
