

## Featured Employer of the Week: KOHL'S

Kohl's is looking to meet YOU and discuss how YOU can be a part of our mission *to inspire and empower families to lead fulfilled lives*. Come hang out, learn more, network, and chat with us the entire week of Oct. 7th-11th! See below for where we'll be.

**Drop by the Career Center every day** and stop by our display table to pick up some spiffy gear and prizes (infuser water bottles, pleather padfolios, and more)! Everyday there will be something different. :) There will also be information available regarding our career opportunities and how to apply.

### Coffee with Kohl's

**Wednesday, October 9th, 10:00am-3:00pm**

**Location:** Coffee Bean on campus

*Drop by Coffee Bean to chat with Kohl's Recruiter, [Angela](#), regarding opportunities at Kohl's, how to apply, as well as learn about her journey at Kohl's since being an intern herself! This is a casual setting for some real conversations about #LifeAtKohl's.*

### Finance, Accounting and Business Job Fair

**Thursday, October 10th, 4:00pm-7:00pm**

**Location:** HUB 302

*Stop by the career fair and chat with us about summer internship opportunities in Management in our Stores and at our eCommerce Fulfillment Center. We will also be signing students up for interviews - so don't miss out!*

We look forward to connecting with you this week!
