STATISTICS WORK EXPERIENCE

Data Analyst Intern, KITU, New York, NY

June 20XX- August 20XX

- Analyzed 15 months of sales data to identify key trends and presented findings to management.
- Supported internal innovation teams to identify key marketplace trends and improve the company's knowledge of customer tastes to capture a \$10M market.
- Collaborated with cross-functional teams to support merchandising, pricing, and business forecasting projects in a remote work environment.
- Developed, distributed and analyzed standard weekly, monthly, and quarterly reporting to ensure various business teams received standardized information.

Math Tutor, Resource Center, UCR September

20XX-June 20XX

- Communicated difficult math concepts to 15 students in one-on-one and group settings both in-person and over Zoom on a weekly basis to improve their understanding of course material.
- Identified students' learning styles to provide an individualized learning experience.
- Promoted critical thinking to help students move beyond just trying to solve for the right answer and instead focusing on learning proper techniques for setting up and solving math problems.

LEADERSHIP EXPERIENCE

Vice President, Highlander Statistics Society, UCR

August 2019- Present

- Coordinating 3-5 virtual events that help other statistics majors explore careers in statistics.
- Designing social media marketing campaigns with the Secretary to promote events.

Call Center Agent, Strongtowe Financial, Temecula CA.

July 20XX- December 20XX

- Assisted manager with leading training sessions for 20 new call center agents.
- Engaged in difficult collections calls with distraught individuals while maintaining professionalism.
