IS YOUR JOB SEARCH STUCK?

Ask yourself:

- Do you know what jobs you want, or are you still unsure?
- Are you applying, but not getting interviews?
- Do you have a networking plan, or just hope?
- Is your resume built for the roles you're targeting?
- Do you know how to explain your grad work in job language?
- Do you have a weekly plan you can realistically follow?

Included with your access

- 4-stage career roadmap
- Lessons + workbooks
- Step-by-step timeline to follow
- Interview library
- Webinars and replays
