Handshake

The screenshot shows the Handshake website's search interface. A red box highlights the search bar in the top left corner. A white filters overlay is centered on the screen, featuring a blue border. The filters include checkboxes for 'work study' and 'Interviewing on campus'. The 'Job Role' section has a dropdown menu and a 'Suggested' list with buttons for 'Software Developers and Engineers', 'Electrical Engineers', 'Marketing Managers and Specialists', and 'Business Analysts and Management Consultants'. The 'Industry' section has a dropdown menu. At the bottom of the filters, there is a 'Clear' link, a count of '7349 jobs found', and a 'Show results' button. The background shows a list of job postings, including 'Jesuit Volunteer/AmeriCorps member' and 'Summer Missions Site Directors'.

If you know what you're looking for...

Use the **keyword** search feature, and indicate if you're looking for full-time, part-time, jobs, and/or internships

Not sure what to search for?

Consider filtering by **industry** (what the organization does – examples: government, tech, non-profit) or **job roles** (what you'll do – examples: advertising, consulting, teaching)

Why Handshake?

Employers must request access to post at UCR, and then post the opportunities themselves – to some degree, they want to hire UCR students!
