

Frequently Asked Questions

Who can join?

Any UCR alumni or student is able to join the platform by visiting careernetwork.ucr.edu and creating their account by answering a few questions to generate recommended connections. To make the process easier, connect your profile to your LinkedIn account!

How do I find a mentor/mentee?

Users can browse and connect with other Highlanders in their city, industry or one of many other available filters. Students must make the outreach to potential mentors however, as alumni are only able to see other alumni until a student makes a connection.

How can I connect with other Highlanders?

The platform offers intuitive and built in communication tools including the ability to schedule live video chats and message templates to help make your initial outreach a little easier.

What other features are there?

Beyond networking and mentorship, the UCR Career Network features a job board, career resources and a place to post and discuss any career questions you have.
